

# Help Make a Difference

May 27, 2010

Dear potential supporter,

International Engineering & Manufacturing, Inc. is holding our first ever 4-Person Scramble Golf Outing on Friday, August 20, 2010 in efforts to raise funds for The Pink Ribbon Riders.

The Pink Ribbon Riders is a 501 C 3 Non Profit Organization that promotes awareness of breast cancer in the motor sports industry for both men and women while raising funds for those in need. In combining these two goals for their organization they hope to bring people in the community closer as this disease not only affects those diagnosed but also those who love them. For more information on The Pink Ribbon Riders visit their website at [www.pinkribbonriders.com](http://www.pinkribbonriders.com).

We extend this warm invitation to you to play in our first ever golf outing. Enclosed is all the information on the outing as well as a team signup sheet. Please fill out the signup sheet and return it with your check for \$60 for each player on your team (\$240 team total) by July 1, 2010. **Space is limited to the first 30 teams so please sign up early.**

If you have any questions please e-mail [golfouting@wiem.com](mailto:golfouting@wiem.com) or call:
